hey Jen,

so, ....

here is chapter 3.

there is a new chapter 3, that needs to replace the existing. (...I have accepted the changes that Mace (lead author of Chap. 3 made to the original (making ever-so slight changes)).

and there is the queries that Shakhit sent, which have responses.

My feeling is that Wiley may have follow-up questions, and Dave and I will do our best to take care of those as they come up.... (we apologize for taking too much time for the original queries).

Please don't hesitate to call (today I am home - Ex. 6 Personal Privacy (PP) and tomorrow and Wed., I am at a conference... please either call me on my cell - Ex. 6 Personal Privacy (PP) or email and I will get back to you.

Thanks for everything, talk w. you shortly,

tm
